Notes :

1. *If the interest, salary, commission or other remuneration is payable (or allowable) only if there are sufficient profits available, this fact should be noted by marking the items in the appropriate columns with the letter "R" [in other cases the interest, salary, commission or other remuneration may exceed the total profits so as to leave a balance of net loss divisible in column 6].
2. †If any partner is entitled to share in profits but is not liable to bear a similar proportion of any losses, this fact should be indicated by putting against his share in column 6 the letter "P".
